

CYNTHIA RADFORD

Following corporate roles in Management and Organization Development, Cynthia launched her own consultancy where she's helped diverse teams and leaders from more than forty countries align, thrive, and accomplish important work. Netflix, BMW, Blue Cross Blue Shield, Fossil, MetLife China, Red Bull, Düsseldorf University, NASA, Microsoft Latin America, Coca Cola, Aegon Asia, American Express, NBC Universal and Hilton are a few of the organizations Cynthia's been honored to serve the past twenty-plus years.

She's been described as passionate, knowledgeable and a "breath of fresh air" while working across the United States and in Argentina, Canada, Brazil, China, Hong Kong, Singapore, England, Ireland, Germany, Thailand, Switzerland, France, Colombia, Malaysia, and Australia.

Cynthia celebrates the possibilities of growth, insight, and potential. She specializes in creating nourishing learning environments where leaders discover fresh perspectives to revitalize themselves and enable their teams and organizations to flourish. She can help your team become a community where diverse people genuinely look forward to coming to work every day and making a positive difference.

She holds an MS in Instructional Design from Purdue and taught on the adjunct faculty at Furman University where her subjects included Global Leadership, Leading Change, Creativity, and Building Effective Teams. In addition to being an Amazing Career™ Certified Coach, Cynthia has a number of professional certifications and is a longtime Certifying Master Facilitator of the HBDI® (Herrmann Brain Dominance Instrument®) – a cognitive diversity tool used by 97% of Fortune 100 companies to improve productivity, innovation, and inclusion.

Cynthia's especially passionate about helping women thrive while making a sustainable, positive difference in the world and served six years on the Board of Directors of *Together Women Rise*, the largest global giving circle dedicated to equality and well-being for women and girls around the world. What are you doing to support the rise of women leaders in your organization?

She's a lifelong nature lover and explorer who finds peace and centeredness in the beauty of the natural world, enjoying hiking, gardening and photography. Adventures have taken her to a host of off-the-beaten-path places including trekking in the Himalaya and Andes and a successful Kilimanjaro summit bid.

As a certified Nature Retreat Leader, Cynthia loves creating experiences for diverse teams and groups of women leaders to step out of life's particle accelerator and reconnect with their authentic path and purpose in the tranquility of nature. She facilitates replenishing higher-level conversations, community, and reflection so they can lead more inspiringly and make the difference they dream of in the world.
